

***Over 3000 Part Numbers for a large and ever-growing number of vehicle manufacturers world-wide!***

**The largest range of polyurethane suspension parts on the market, and a three year guarantee!**

SuperPro suspension bushes are available for an unrivalled, world leading range that covers 4x4s from Daihatsu, GM/Isuzu, Honda, Jeep, Lexus, Mazda, Mitsubishi, Nissan, Land Rover, Suzuki and Toyota, all available ex-stock.

Our bushes come with a 3 year / 60 000 km guarantee, whatever the application. SuperPro products have been rigorously tested to give better handling and long life while preserving or improving on your car's original ride characteristics – without the harshness often associated with polyurethane products.

Supported by the superior engineering, materials technology and product development that sets SuperPro Polyurethane Bushes apart.

If you want to experience the outstanding performance of SuperPro, **give us a call today!**
